

Future Fish Eurasia 2014 in Turkey

Future Fish Eurasia, the 7th International Fair for Fish Imports/Exports, Processing, Aquaculture and Fisheries will be organised by Eurasia Trade Fairs at the Izmir International Fair Centre between 5 -7 June 2014.

Future Fish Eurasia 2014 will be organised in a hall of 11.000m², where over 300 local & international companies will display their products and services.

The concept of Future Fish Eurasia is a combination of fish products, aquaculture and fish processing equipment.

Future Fish Eurasia is organised with the full support of the Ministry Of Food, Agriculture & Livestock, Aegean Exorters Association, Istanbul Exporters Association, Izmir Fish Producers Assoc., Turkish Seafood Promotion Committee and Eurofish Organisation.

The dynamic structure of Turkish aquaculture and Future Fish Eurasia form a perfect platform for those in the fish business.

Providing an opportunity to introduce your aquaculture and/or processing technology to Turkey and its neighbouring countries, buy quality farmed products or sell alternative seafood.

Book now ensure your share in a market thats on the move.
