the Brazilian market for olive oil and table olives

International Fair on Olive Growing, scheduled for the city of Porto Alegre (RS) Brazil, on days 02-05 September.

Fair will have principal focus on the market with an emphasis on:

- Importers;
- Distributors;
- Market Trends;
- Current production of table olives, olive oil and trends.

So that before may, 30th the information is enough to take a decision to join a growing market:

- Customized Stand;
- Modular Stand (there are 5 rules outlined in the Fair site)
- Stand for DO , collective or community, Chamber of Commerce, Entities, Group of Companies.

Do not leave this opportunity to join a market of 110,000 t / year of olive oil and 130 t / year of table olives.
