

Egypt's agricultural exports rise by 250K tons in Jan.-May 2021 compared to same period in 2020

The Ministry of Agriculture released Sunday a report indicating that the amount of agricultural exports between January 1 and May 26 recorded 3.3 million tons higher by 250,000 tons compared to the same period in 2020.

Top exports included potato, onion, strawberry, pomegranate, sweet potato, green beans, beetroots, guava, bell pepper, mango, garlic, and grapes entering 160 markets. Further, 8,500 tons of peach and 6,500 tons of watermelon were exported to the United Kingdom, Italy, Russia, Romania, Poland, Turkey, Saudi Arabia, United Arab Emirates, Kuwait, Bahrain, Lebanon, Libya, and Iraq.

The report noted that exports of peach to markets setting very high standards are rising.
